

Certificate

Registration No.: Q 60004203

Report No.: 435/122002

Manufacturer:

Solar-Manufaktur Deutschland
GmbH & Co. KG

Gewerbegebiet Nord
D-17291 Prenzlau

Product:

PV Modules

Types: aleo 150
aleo 75

Basis:

IEC 61215: 04.1993
"Crystalline silicon terrestrial
photovoltaic (PV) modules - Design
qualification and type approval"

Factory Inspection
To document the consistent quality of
the product factory inspections are
performed periodically.

Remarks:

1. The certification is based on the basic qualification as of report no. 435/122708 and the extension qualification as of report no. 435/122002.
2. The details of the factory inspection are described in report no. 435/122708-01.

Conditions:

The product test is voluntarily according to technical regulations. Any change of the design, materials, components or processing may require the repetition of some of the qualification tests in order to retain type approval.

The certificate has a validity of 5 years counting from date of issue.

Cologne, 30 January 2003

Certification body

Dr. F. Gossen
